Dear Madeline,

Andrew Marshall, Pam and For Rent Apartments Ltd (FRA) manage two of my flats in Icona Point, Stratford, E15 9JD. FRA commenced their management services in July, 2014 initially looking after one of my one bedroom flats.

This has been a tremendous success for me in two key areas:

- a. The revenue generated through their rental services,
- b. The condition that the flat and its fixtures & fitting have been maintained too.

It was this in mind that I asked FRA to take on a second flat for me in April of this year, which I am very glad to say they did. In 2016, I am planning to ask FRA to take on one to two more flats for me as I am very impressed with their overall proposition.

Andrew, Pam and For Rent Apartments Ltd, are very diligent, honest and trustworthy, which is important as I live in Ireland and only visit the flats a couple of times a year.

I can certainly and have recommended Andrew, Pam and For Rent Apartment Ltd, business services.

Your sincerely

Norman Bradley,
